

REMARKS

Applicants are submitting this amendment in order to respond to the Examiner's requirement for restriction.

In response to the Examiner's requirement for restriction, Applicants elect to prosecute the claims of Group I. Applicants are making this election without traverse. Applicants have canceled claims 8 through 17 and reserve the right to claim the subject matter in the canceled claims in a related application.

Applicants have added new claims 18 and 19, dependent upon claim 1. Antecedent basis for new claims 18 and 19 may be found in the specification on page 17, line 21 through page 8, line 5 and in Examples 5 and 6. Thus claims 1 through 7, 18 and 19 are now in the application and are presented for examination.

Applicants await an action "on the merits."
